Flexo technology in 2025

Dansk Flexo Forum and Sweflex invite you to an exciting and inspiring Absolute Flexo Future 2020 Seminar at Hotel Tylösand, Halmstad.

Those of you who arrive on 1 April are welcome to join the traditional Sweflex pytt i panna served from 19 pm. A relaxed get-together, which gives you the opportunity to meet new and old flexo friends and associates.

This year's Absolute Flexo Future focus on the future of our industry, the challenges we face, new technology and sustainable design. The speakers come from the business sector as well as the academic world. Bo Wallteg, Nordemballage, will take us safely through the day. The seminar ends with a dinner.

Participants will be representatives from Denmark, Sweden, Norway and Finland, just as we will open up for paying visitors from related industries and the rest of Europe. We expect some 200 participants.
